**ΘΕΜΑ:** «Πρόσκληση εκδήλωσης ενδιαφέροντος για τη συμμετοχή εκπαιδευτικών κλάδου ΠΕ06 σε webinar με τίτλο "Back to school icebreakers"».

Dear colleagues,

The new schoolyear is going to start in a few weeks. As we all know, the first days of class can be quite overwhelming for all teachers, for those who already know their students from past years but especially for those who do not know their students at all, either because they have been placed to a new school community recently or because they are new to the profession.

For this reason, an online webinar is going to take place at the beginning of September, with the topic being "Back to school icebreakers". Those of you who are interested in attending the webinar, please fill in the following form: <https://forms.gle/tPiuGYAn9n9cwKN39>

Those of you who have a "secret recipe" for "taking off" the first day of class and want to join the webinar as speakers, please fill in the following form <https://forms.gle/tPiuGYAn9n9cwKN39> and send your contributions for the webinar **by 3rd September** at the latest. The ice breaker activity should have a title (e.g. Student Bingo), and should be accompanied by a short description in English. Also, make sure to cite the source of the activity, if it is not your own (e.g. name of the author/book and/or link to the web). Be prepared to present your ice breaker activity or activities in English. All the ice breaker activities will be collected and will be published in an e-book.

Let's exchange innovative ideas and good practices!

Thank you all in advance for your contributions!

Sofronia Maravelaki

Education Counsellor for ELT

Prefectures of Serres & Kilkis
